

AUDITION CALL FOR 2022 SEASON

Perchance Theatre is currently accepting applications for performers for our 2022 season! If you are interested in working in an outdoor theatre, with an Equity/DOT environment, we welcome you to apply.

Perchance Theatre is committed to creating an environment where all artists are treated with dignity and respect. We encourage applications from qualified individuals regardless of race, ethnicity, gender, or sexuality; and welcome applicants to self-identify within their application if they feel comfortable doing so.

When you are ready, you can submit your application via [our google form](#). Applications should include:

- **Resume**
- **Headshot**
- **Video Audition**
 - One **classical monologue** of your choice
 - One **contemporary monologue** of your choice
 - As one of our productions has a heavy movement component, you are also encouraged to include **30-45 seconds of creative movement**. Your movement score should include the elements of big, small, heavy and light. Actors are welcome to move in silence or use the following for inspiration:

When filming your video, please have the camera in **landscape** mode and film from the **chest or waist up** so we can best see the nuance of your performance. Please have a **neutral background** and ensure that your **lighting** and **sound** is adequate (smartphones and tablets should provide adequate sound quality for our purposes).

If you have any questions, or require assistance with this application, please contact Laura at info@perchancetheatre.com.
